

Surveillance Specialist

Summary: BATS is actively seeking a highly motivated individual who is passionate about trading and markets to join our market surveillance team.

Location: Lenexa, Kan.

Responsibilities

- Develop and program new surveillance concepts to monitor the trading of securities on the exchanges to detect possible violations of BATS and SEC rules and policies.
- Collaborate with various BATS teams in the development of the BATS Regulatory Program including the automated surveillance system.
- Maintain a thorough understanding of the BATS trading systems, as well as a general understanding of the latest trends in the security industry.
- Assist in responding to regulatory inquiries.

Requirements

- 2+ years of general programming experience.
- Knowledge of the equities and options markets.
- Prior experience in the securities and trading industry preferred.
- Strong analytical and research skills.
- Must be able to communicate with all levels of management and staff.
- Must be a team player.

About BATS

Since June 2005, BATS has positioned itself in the securities industry as a leading market center delivering speed, performance, and innovation to its member base, which is comprised of hundreds of Wall Street's most recognized names. The industry and technology professionals that make up the BATS team are focused on keeping innovation and competition alive in the securities markets. Because our employees and investors come from the industry, we are well positioned to help make the securities markets a better place to do business.

Associate Benefits

BATS Exchange offers one of the most exciting places to work in the Kansas City area. Working in the securities industry is exciting, "real-time" fast, always changing, and on the leading edge of technology. We only hire the best and brightest. If you consider yourself in the top ranks in your field of expertise, then you might consider applying to BATS. Join us and work alongside other top-notch professionals ... it's always fun being on the "A" team. We have a casual (yet not sloppy) dress code, because we value what our employees can do more than how they dress. Our compensation program, made up of salary and bonus, is highly competitive. In addition, the company offers a retirement plan with matching contributions, a group health plan, and life insurance.

Apply
