

BATS Exchange (BZX) Renames DART Routing Strategy to DRT Related FIX ContraBroker Tag Update Effective September 3, 2010

This notice is to advise all Members that BATS has renamed the DART routing strategy to DRT.

As a result, effective September 3, 2010 FIX Tag 375 (ContraBroker) will be updated accordingly and executions formerly identified by 375=DART will begin to be identified by 375=DRT.

For more information, please contact your Director of Sales or the BATS Trade Desk.
